

TERRAZZO SERIES

NURAZZO STONE TILE

Nurazzo Stone Tile

Nurazzo tile is manufactured from marble and glass chips embedded in an epoxy resin and then polished to a high-resolution finish. With benefits such as ease of installation and maintenance, dimensional stability and vibrant color options, Nurazzo stone tile is the perfect flooring solution for high-traffic areas.

TERRAZZO SERIES

Features and Benefits

- True epoxy precast
- Dimensional stability
 - Will not shrink or warp
- Secured stone and glass chips
- Compressive strength of 10,000 psi
- Vibrant colors
